

**CONSOLIDATED
TECHNOLOGIES**

CT understands our clients' demands for **high quality** and **low price**; **CT** has engineered to this client-driven value.

Our systems are exclusively built from stainless steel and based on over-rugged tubular welded platform. Construction methods or component selection is never compromised ensuring automation dependability. Streamline efficient manufacturing and a better perspective on long-term profitability make Consolidated Technologies one of the lowest costs solutions in the market place for downstream packaging automation.

SMALL FOOTPRINT ROBOTIC CASE PACKER

ALL-IN-ONE

- **AUTOMATIC CASE ERECTOR • HAND-PACK STATION**
- **TOP-BOTTOM SEALER • ROBOTIC CASE LOADER**

Up to 20 cases per minute

ROBOT-CASE LOADER

**MINIMAL INSTALLATION SPACE,
WIDE WORKING ENVELOPE,
CAN BE FLOOR-, WALL- or CEILING-
MOUNTED**

SCF20-L

**AUTOMATIC CASE ERECTING,
SEMI-AUTOMATIC
HAND-PACK STATION,
BOTTOM-TOP SEALER**

SCF20-L is an **ALL-IN-ONE** frame design which provides a safety guarded loading station where cases are erected and advanced automatically for top flaps closing and bottom-top sealing. SCF20-L easily integrates into a fully automatic robotic top load case packing set-up.

You can use SCF20-L as a dedicated case erector or as a mobile highly efficient hand pack station as well. As loading module **ROBOT** requires minimal installation space and can be floor-, wall- or ceiling-mounted due to its compact design. **ROBOT** provides flexibility, versatility, quick and easy changeover and high performance while requiring minimal capital investment.

CASE PACKER MAIN FEATURES:

SCF20-L stainless steel rigid mono hull frame • Easy access high capacity case magazine (up to 200cases) • On-demand cam operated case erecting system with positive opening which allows to run squared and double wall cases • Indexing system • Servo motor from Omron • Touch screen operator interface • Bottom-top flap sealing, tape or glue • Lexan safety covers with safety interlocks • Adjustable legs • Small footprint • Easy changeover • Up to 20 cases per minute

*Your first order is our opportunity,
the second is our goal.*
